- Examinations are grouped by the beginning hour and the first day that the class meets. (Example: Finals for classes that meet 1300-1415 are grouped with 1300-1350 classes.)
- If final examinations for classes not conforming to the regular schedule conflict with other examinations, those classes may have examinations at the last regularly scheduled class meeting. Students should inform their instructor at the beginning of the semester of any conflicts in their examination schedule. Final exams for 0700 classes should be held at the last regularly scheduled class meeting.
- The Office of the Registrar does not give out the dates or times of finals over the phone.
- Grades will be available December 11 through the Banner Self-Service link on the McNeese web site.
